

### EQUESTRIAN/HIKING TRAIL INFO

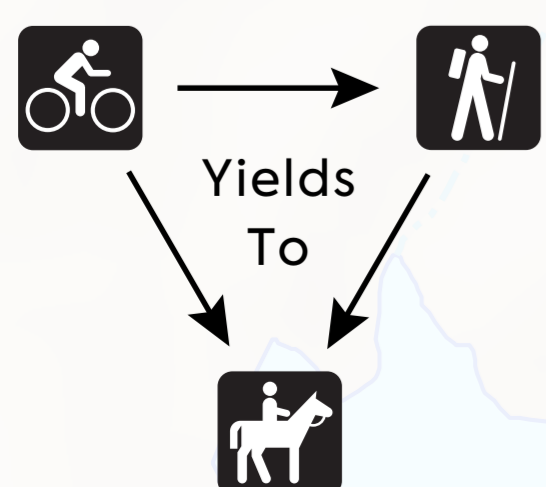

HORSEBACK RIDING AND HIKING ONLY · **NO BIKES** · DOGS ALLOWED

In case of emergency, **DIAL 911** and provide nearest mile marker ·

Trails are closed to horses when mountain bike trails are closed ·

Riders should call park office for trail status

Always Observe  
Right of Way

The equestrian/hiking trails include ~6.5 miles of natural-surface tread. Protruding rocks and roots are fairly common. The trail ascends/descends multiple steep slopes, and at points is only wide enough to accommodate one person. Most stream crossings do not have bridges, and must be crossed on rocks and gravel.
